## Deeply Cut Prices on Some of Our Loveliest BLOUSES

To Meet the New Conditions

These are the much prized individual styles so much sought after by women who prefer unusual and artistic effects in the selection of their blouses. There are only two or three of a kind at most and only one of a kind in many models. Real laces, beautiful embroideries, rich brocades are combined with Georgette and other fine materials to produce blouses remarkable for their beauty and variety of effect—

Le Chapeau Charmant

Les Chapeaux Charmant have turned their attention to the close fitting little hat of satin or brocade, fitly trimmed with fur, for the arrival of Winter weather. These hats are beautifully made of heavy satin or satin mirage or silver and gold brocades.

These hats would, of course, cost a great deal more if chosen elsewhere than from among our so specially priced Chapeaux Charmants.
